

Help Fill This out-Need scoring sheets-Trophy's-Pictures to verify-"Memory is not Adequate" (jingvalson@gmail.com)

Where possible winners listed are the high score from the results from the NSCA and/or documents possessed by the clubs or those individuals working the events. Early winners (Pre 1997) were established by them having the trophies. NSCA no longer has results available previous to 2001. About 1999 there was a change from 'Senior' & 'Vet' to 'Vet' & 'SV' Senior Super Vet started in 2008
