

# Minnesota NSCA Members Event Winners Tracking for the Hall of Fame

**Purpose of this document is to share all of the accumulated information. This document is not complete as of 5-8-14 and more information will be added and reposted in the coming weeks. Missing information should be reported to Jim Ingvalson at 952-240-2043 or jingvalson@gmail.com**

Where possible winners listed are the high score from the results from the NSCA and/or documents possessed by the clubs or those individuals working the events. Early winners (Pre 1997) were established by them having the trophies. NSCA no longer has results available previous to 2001. About 1999 there was a change from 'Senior' & 'Vet' to 'Vet' & 'SV'
